

PHOTOGRAPHY PACKAGES

We shoot all photos with professional film and have them printed on high-quality photographic paper. We use high-tech photo & digital cameras with professional lenses. Laura and Ron Sherr both have degrees in Radio, Television & Film from Temple University in Philadelphia. Both have also received awards for their photographic excellence. Our goal is to shoot top quality photos for the budget-minded client. Every package is custom designed to fit your needs and price constraints.

PRICING:

*Prices include coverage for the entire day (no hourly limit), all film, and processing. Proof book, enlargements and albums are extra. You are under no obligation to purchase an album from us. We do offer an extensive catalogue of albums to fit all budgets and preferences. Proofs are available online within a week of the event at www.bridgemusico.com.

(Price does not include the negatives or digital files!)

QUALITY:

The size of the enlargements you require will usually determine the camera format. If you require 8 X 10's or larger, we recommend using the Medium Format or Digital Camera. Photo editing is available on a per job basis.
